

Youth Strike for Christ 2012

Individual Scholarship Application

We understand the difficulties youth groups face when it comes to raising funds to attend amazing faith inspiring events, such as, Youth Strike for Christ. This Individual Scholarship form was created to help youth who are still in dire need of assistance after every fundraising opportunity is exhausted. Please use this form as your last resort to obtain additional assistance to attend Youth Strike.

If you have 5 or more youth, who are in dire need of assistance, please fill out our Group Scholarship form on our website. We encourage youth groups to check out our fundraising page for ideas to raise funds to attend Youth Strike. Also, please check with your local or district church office for any other scholarship opportunities. Some district offices in the Iowa Annual Conference have vouchers for groups that they can send to help youth groups attend Youth Strike for Christ.
