

Youth Strike For Christ 2010 Scholarship Application

The mission of Youth Strike for Christ is to provide a spiritually enriching event for youth. Our goal is to make sure everyone who desires to attend Youth Strike for Christ is not prohibited because of a lack of financial support. We want to work with you and your local church to make this possible. Grants may be available to those needing financial assistance beyond what is provided through the local church. For alternative sources of funding for Youth Strike for Christ, check with your local church and district office.

Limited scholarships in the amount of \$75.00 are available. A completed scholarship application **must** be received by December 15, 2009. Applicants will be notified by December 20, 2009, as to whether or not they have received a scholarship. For those who receive a scholarship, a completed registration for Youth Strike for Christ must be received by January 1, 2010, including the reduced registration fee of \$84.00. A registration received after January 1, 2010 will result in forfeiting of the scholarship.

Participant's Name _____
